Vol. 4 Thur. Feb. 15 No. 7  
Jock McIntyre, Editor

Capt. Frank Hawks said "If you can't be a winner then make the other fellow be a record breaker". That seems to be exactly what Pete Patterson did to Doug Henderson. Money Bags Butler also trimmed Ethel Baker too, and what's going to happen when Bolts McIntyre meets Brains Farris is going to be bad too.

Now that the local bonspiel is over and the very good prizes are distributed we ask you to let us be "Your Hardware Merchants".

Rumor has it that the new German pocket battleships are being constructed with zipper bottoms.

It's time to start thinking about getting that seed treated. Our treaters are for loan and our stock of Ceresan is all fresh. Let's get together.

Girls are like boats. The ones with trim lines are the speediest.

There are no better ranges made than those made by Beach. They are also priced to suit your purse.

Looks as though March may come in a lamb and go out like two elections.

Wm. Penn and North Star oils and greases are "still the best".

Prof. Thomas is around again and although a bit shaky is looking good.

## ED GRIFFIN UNITY Candidate for Little Bow

With a clear majority Mr E Griffin of Champion was the candidate chosen at the constituency convention in Vulcan yesterday to run on the unity ticket.

There were six prospective candidates and 119 delegates out of which Mr Griffin was selected on the first ballot cast.

The hall was jammed with upwards from 300 people in the afternoon, and in the evening when Mayor Andrew Davison spoke the Theatre was filled to capacity and a large number of the public were turned away.

A somewhat of a unique coincidence came to light when the Unity party nominated in High River for the Turner Valley riding, Mr John Broomfield, Mr Broomfield and Mr E Griffin were old school chums and yesterday they were both appointed to similar offices in the same party in their respective constituency.

## Ladies Aid Meeting

At the regular meeting of the Ladies Aid was held at the home of Mrs Latiff with the officers of 1940 in the chairs.

## Where Champs Will Ski

The picture above shows the newly constructed Ski Lodge, on Mount Norquay at Banff, where the Dominion ski championship events will be conducted from Feb. 29 to March 3.

The Lodge stands on a hill commanding a full view of the finest powder snow ski grounds in Canada where "nursery" "medium" and "expert" slopes suit every type of skier from novice to professional.

The charming young lady to the right is typical of thousands who will enjoy this healthy outdoor sport at the Banff Meet.

## Regular School Board Meeting

Joe Louis, The Winner!

Joe Louis who again upheld his title of Champion in a 5 round bout with Arturo Godoy last Saturday February 10 in Madison Square Gardens.

The meeting continued with the reading and adoption of previous meetings minutes on motion of Mr Louie Fath and seconded by Mr R Maxwell.

## Annual Meeting of Champion School Dist.

The Annual meeting of the Champion Consolidated School No. 40 was held in Champion High School on February 10.

There was only a moderate attendance, owing to the weather which was threatening.

Mr Flemings the Chairman of the Board, addressed the rate-payers briefly, and asked that a Chairman be selected from the gathering, and it was Moved by Mr Long, Seconded by Morgan Smith that James Brown be Chairman.

The minutes of the previous meeting were read and on motion of Mr Maxwell, seconded by Mr Flemings same were adopted.

Secretary read the following report, High School Inspectors report Principal and Trustees and Secretary's report. Only minor discussions were in effect in respect to Trustees and Secretary's report but some feeling was evident in the meeting, as it was noticed that Inspector Williams had spent only a few hours inspecting just one teacher, during the four months of the fall term. It being pointed out that the same procedure happened last year, and despite the fact that that same was reported to the Chief Inspector no results were obtained.

Mr Thomas gave a brief outline, in respect to Teachers Pensions.

It was moved by J Long and seconded by Steve Fath that all reports as presented be accepted.

The next item to be discussed was the Auditors financial statement, this was approached carefully and explained in detail and it was moved by S Fath and seconded by J Long that financial statement be accepted.

A discussion arose in respect to delinquent taxes that appear on the tax roll, the Trustees gave the rate payers a detailed explanation in this respect to same and it was moved by L Warren seconded by S Fath that the trustees be authorized to make adjustments where necessary. Carried

F Flemming and L Fath were appointed trustees for Harvard and Sherwood respectively.

A discussion arose in respect to tuition fees for grade 12. The School trustees were authorized to accept pupils at a rate more equivalent to the cost of this service.

### Lenten Period

As we enter the period of Lent this paper would draw to the attention of its readers the benefits to be derived through observance of religious teachings.

We make no apologies for our belief in Christianity. Despite its faults its failings and its divisions, all of which can be laid at the feet of the people, the church stands in the community as the sure foundation for right and true living.

Those of the Catholic faith, and to a lesser degree members of other denominations hold special services during Lent. They ask their members to forgo certain privileges that they may be better fitted to enter the spirit of the days passed by Jesus on the Cross and His Resurrection.

We urge all our readers to attend the services of your church during this period. You will be helped by the fellowship and addresses.

3,000 Gift For  
"Y" At Lethbridge

YMCA workers at Lethbridge Alberta celebrated last week when a neighboring rancher tossed \$3000 in their laps to help finance the extra expenditure made necessary by their war work.

The windfall came from R H Bennett, rancher and Minneapolis financier, and will provide much needed equipment for the recreation of troops stationed in the district. The 'Y' building has been thrown open to the men and a special recreation and reading room set aside for them.

Only one stipulation was made by Bennett. A portion of \$3000 is to go to the National War Services Campaign which opens on April 5.
